:o:

The PAIN KILLER is by universal consent allowed to have won for itself a reputation unsurpassed in the history of medical preparations. Its instantaneous effect in the entire eradication and extinction of PAIN in all its various forms incidental to the human family, and the unsolicited written and verbal testimony of the masses in its favor, have been and are its own best advertisements.

The ingredients which enter into the PAIN KILLER, being purely VEGETABLE, render it a perfectly SAFE and efficacious remedy taken internally, as well as for external applications, when used according to directions. The stain upon linen from its use is readily removed by washing with a little alcohol.

This medicine is justly celebrated for the cure of so many of the afflictions incident to the human family, has now been before the public over Twenty Years, and has found its way into almost every corner of the world; and wherever it has been used, the same opinion is expressed of its medical properties.

In any attack where prompt action upon the system is required, the Pain Killer is invaluable. Its almost instantaneous effect in Relieving Pain is truly wonderful; and when used according to directions, is true to its name, a Pain Killer.

It is, in truth, a Family Medicine, and should be kept in every family for immediate use. Persons traveling should always have a bottle of this remedy with them. It is not unfrequently the case when persons are attacked with disease, and before medical aid can be procured, the patient is beyond the hope of recovery. It has been used in Severe Case of the Cholera, and never has failed in a single case, where it was thoroughly applied on the first appearance of the symptoms.

Pain Killer, taken internally, should be adulterated with milk or water, and sweetened with sugar if desired, or made into a syrup with molasses. For a COUGH, a few drops on sugar eaten, will be more effective than anything else. For SORE THROAT, gargle the throat with a mixture of Pain Killer and water, and the relief is immediate and cure positive.

It should not be forgotten that the Pain Killer is equally as good to take internally as to use externally. Each bottle is wrapped with full directions for its use. PLEASE READ THE PRINTED DIRECTIONS.

### TESTIMONIALS FROM THE PRESS.

This remedy is well-known to be one of the very best ever offered to the public. It is all that it is represented to be. The testimonials in its favor, reaching back for a series of years, and the experience of a long test, incontestably prove it to be one of the most reliable specifics of the age.—*Old North State*.

We have tested this medicine, and assure our readers that it not only possesses all the virtues claimed for it, but in many instances surpasses any other remedy we have ever known.—*Herald of Gospel Liberty*.

It is a really valuable medicine—is used by many physicians.—*Boston Traveler*.

I have used Davis' Pain Killer, and consider it an indispensable article in the medicine box. It has effected cures in diarrhoea, and for cuts and bruises it is invaluable.—*N. Y. Examiner*.

Known almost universally to be a good remedy for burns and other pains of the body—and is valuable not only for colds in winter, but for various summer complaints.—*Christian Advocate*.

There is no medicine I value so highly as the Pain Killer.—*Messenger Glenns Falls, N. Y.*

We can bear testimony to the efficacy of the Pain Killer. We have seen its magic effects in soothing the severest pain, and know it to be a good article.—*Cincinnati Dispatch*.

No article ever attained to such unbounded popularity.—*Salem Observer*.

An article of great merit and virtue.—*Cincinnati Nonpareil*.

It has real merit—as a means of removing pain.—*Newport (Ky.) Daily News*.

A speedy cure for pain. No family should be without it.—*Montreal Transcript*.

Its wonderful power in relieving the most severe pains has never been equalled.—*Burlington Sentinel*.

Our own opinion is, that no family should be without a bottle of it for a single hour. In flesh wounds, aches, pains, sores, &c., it is the most effectual remedy we know of.—*News, St. John, Canada East*.

It is one of the preparations in use, and from experience we can highly recommend it.—*Sunbeam, Boston*.

The Pain Killer of Perry Davis & Son we can confidently recommend. We have used it for a length of time, and invariably with success.—*Canada Baptist*.

E. N. DENISON & CO., on Dixon House Square,  
 Jewelers and Silversmiths, we do declare,  
 Deal largely in articles solid and fine,  
 And call your attention to goods in their line.  
 Good goods and warranted, say you then all,  
 At DENISON's (Westerly) surely we'll call ;  
 He shows us fine things, for cash they are cheap,  
 In quality splendid, don't fear, they will keep.  
 For articles made of fine silver or gold,  
 Neither rust nor corrode, need we this be told ?  
 We answer, Oh yes, and we're willing to pay  
 For things that are good ; now commissioned to say,  
 Ma'ma wants nice knives, and sister a locket,  
 Pa'pa a keen razor, while brother's a pocket  
 That will hold a good whittler, and baby, the darling,  
 Needs bib-pin and catch-ups ; my own wants unfurling,  
 Speak for a fine chain and watch, *high train* to be sure,  
 For who now can a *low train* or a *slow train* endure.  
 Then there are rings and fine things in silver and gold,  
 The half of which you have never been told ;  
 So hie you to DENISON's, Dixon House Square,  
 The place for fine goods, as you will declare.
